- We will be offering Breakfast in the mornings for any child that requires it; there will be a small charge per item.
- We will also be offering a hot meal in the evenings at a charge of £1.50 for any child requiring one. Just let us know when you bring your child in.
- Mobiles and Tablets- We understand that some children enjoy bringing in these items to play on during the day, in regards to mobiles we would prefer they didn't bring them but if they do they must be handed in to us to put in our tin. We will be allowing tablets and will be setting up a little area for the children to play on them in. All mobiles and tablets MUST have any cameras covered over, just bring them to the desk and a member of staff will cover them.
