### WELLBEING

With Government Lockdown Restrictions in place during November it is important that we all take care of our families wellbeing during these difficult times. Here are a few ideas of things to do with the children outside of school from our Jozone Team:

- Make an Autumn Wreath with leaves collected from your garden or a local park
- Learn a new skill (ride a bike, play an instrument)
- Play a new sport (try something you haven't done before)
- Keep in touch with family & friends via video call or zoom
- Visit local nature reserves and parks to see what winter wildlife you can find
- Scavenger Hunt Indoors and Outdoors
