### ONLINE BOOKING

We are delighted that we are now on an online booking system, this system gives the parent more control over booking sessions and allows them to keep tabs on payments, alter booking and change information without having to contact the club.

If you have any problems with the new system please feel free to speak to a member of staff or contact the head office.

### ACCESS TO JOZONE

Please could we ask that you now use the main reception door to access Jozone instead of the fire door round the back of the school, this is because the fire door bar is broken. When you arrive at the main reception door ring the bell and a member of staff will come and let you in.

Thank you for your co-operation in this matter.

### HOLIDAY CLUB

We are excited for our Easter Holiday club, we have loads of different activities happening during the 2 weeks. The 1<sup>st</sup> week our theme will be Easter, we are not running a trip that week but we are having a visitor in on the Tuesday from Natures Burrow, they are bringing lots of different animals in for us to meet. To join in with this activity please book in online, the session is an extra £5.00 on top of the fees for the day.

The theme for the 2<sup>nd</sup> week is Spring/New life/ On the farm, we are running a trip on the Wednesday this week, we are going to be going to Ash End Farm. To book on the trip please go to your online account, the trip will be an extra £15.50 on top of the fee for the day.

### LEARNING AT HOME IDEAS

Every newsletter we include some fun ideas for you to do at home with the family in order to help support your child's learning and development.

For this newsletter as it is approaching Easter we thought we would give you all sorts of Easter themed activity ideas

**MATHEMATICAL DEVELOPMENT:** Why not print off some Easter Eggs from <https://www.livecrafteat.com/live/easter-egg-hunt-happy-easter/> and have an Easter egg hunt where the child who collect the most wins an actual Easter Egg, you could even print the templates off twice and the children only get an egg if they find the matching pair.

**LITERACY:** Get your children to write out a story about the Easter bunny, what sort of adventures does he go on when he hides the eggs, how does he find where to hide them.

**EXPRESSIVE ART AND DESIGN:** Have fun creating your own Easter bonnet or decorate a hard boiled egg.
